Grain-O Brings Relief.

to the coffee drinker. Coffee drinking is a habit that is universally indulged in and almost as universally injurious. Have you tried Grain-O? It is almost like coffee but the effects are just the opposite. Coffee upsets the stomach, ruins the digestion, effects the heart and disturbs the whole nervous system. Grain-O tones up the stomach, aids digestion and strengthens the nerves. There is nothing but nourishment in Grain-O. It can't be otherwise. 15 and 25 cents per package.

Grippe Cured.

"Last winter I had a bad cold and severe cough. I was lame in every joint and muscle. I was sick and felt as though I was coming down with typhoid fever. It was no doubt a bad case of grippe. Mr. E. P. Budge gave me a bottle of Brazilian Balm, saying he was sure it would help me. The relief was almost instantaneous. I stopped my cough and took the balm with all the pains and soreness in my system. I gave the balance of the 50-cent bottle to Mrs. Bishop Wiley for her daughter. It proved so beneficial she says she never intends to be without it."—Edwin Fitz Jones, Cincinnati, Ohio.

Does Your Head Ache?

Are your nerves weak? Can't you sleep well? Pain in your back? Lack energy? Appetite poor? Digestion bad? Bolls or pimples? These are but some of the results of constipation. If the contents of the bowels are not removed from the body each day, as nature intended, poisonous substances are sure to be absorbed into the blood, causing suffering and frequently causing severe disease. There is a common-sense cure.

SMOTHERED IN A BADGER HOLE.

John Gannon's Dogs Did Not Desert, but Dug Out the Body.

GREELEY CENTER, May 25.—Yesterday John Gannon, the 17-year-old son of Thomas Gannon, residing near this town, went out into the field about a quarter of a mile from the house to dig out a badger that was supposed to be in his hole, taking with him two large dogs.

After 6 o'clock his two brothers went after the cows and passed near the place where Gannon had gone to get the badger and saw the dogs digging and scratching the earth. Reaching the spot they found their brother lying on his face, dead. He had enlarged the hole and then entered it with his head and part of his body, when the earth caved in and smothered him. His faithful dogs did not leave him, but scratched the dirt from off his body and head and had it completely removed when found by his brothers, but life was extinct.

Crops Damaged by Hail.

KANSAS CITY, May 25.—Rain and hail did much damage to crops and property in central Kansas last night. In Saline county wheat and other crops for miles were completely destroyed by the heavy hail, many buildings were damaged and thousands of window lights were broken. Some cattle and many chickens and birds were killed. At Eldorado, Newton, Abilene and Perry more or less minor damage was sustained. In the vicinity of Perry the proportions of a cloudburst were reached and the small streams overflowed their banks, flooding farm property.

Lake Steamer Burns at Her Dock.

BUFFALO, May 25.—The steamer Cuba of the Buffalo and Green Bay freight line was badly damaged by fire last night while lying at the foot of Main street. She was loaded with sugar, salt and other package freight, and before the fire could be subdued it was necessary to pump the hold full of water. The boat now lies on the bottom of the river. The loss will reach \$30,000. The fire was caused by the breaking of a lantern.

Strike a Bonanza Silver Mine.

ABILENE, Kan., May 25.—A letter from Durango, Mex., says that Fred L. Morris, secretary of the Missouri Valley Trust company of Kansas City, and H. E. Ellison of Abilene, who have been prospecting for some weeks in the mountains, have struck a bonanza silver mine that promises a fortune. They claim to have \$200,000 in sight and have commenced work.

Serious Dock Strike in Cuba.

HAVANA, May 25.—The continuance of the lighterment's strike is causing serious inconvenience to shipping. Nine hundred lighter men are involved in the strike. They admit they have been earning \$60 per month and the difference between them and their employer is small. They refused a proposal to submit the matter to arbitration.
